It was simply my enthusiasm that led to the establishment of R.P. International(P) Ltd in the year 2004 A.D. as on the reliable manpower suppliers in the country with a competent set of experienced and hardworking staff with an encouraging network countrywide to serve and assist our esteemed clients. The office managed by competent professional and is registered under the Government of Nepal, Labor Ministry with registration No. 481/061/062.

We ensure that the staffers and the concerned related with this organization are highly skilled and proficient in placing the right man at the right place, including the selection of professionals, technicians, skilled semi-skilled as well as unskilled workers. It also a great pleasure for me to bring forth this brochure with the conviction that the R.P. international Consultancy (P) Ltd- is always dedicated towards serving the interest of both workers and the recruiting companies by supplying dedicated, qualified, committed and honest manpower for foreign employment. This, we are confident would be continued despite any hurdles to satisfy our clients and the companies abroad.
